**Email Vote Request:**

I'm pleased to report that the Montana Community Foundation has approved us for a \$1,000,000 loan capital loan at 4.0% for 7 years. If we accept this, it will complete our ambitious five-year loan capital growth goal in less than two years!

These funds build up our capital available for bridge loans for housing development as we try to get more projects in the ground next spring.

Executive Committee members, could you please reply with a YES, NO or Request Special Meeting vote. Feel free to call me if you have any questions or concerns.
