

GFDA EXECUTIVE COMMITTEE EMAIL VOTE MINUTES
February 21, 2026

Approved 3/18/26 Signed By: Nate Weisenburger, Secretary

Email Vote Request:

We received a unanimous 10 yes votes on the authorization to sign the grant contract with the Montana Department of Commerce.

Two new email vote requests:

Montana Community Foundation Loan

Please vote to approve this [Resolution](#) authorizing me to sign loan documents with the Montana Community Foundation to borrow \$1,000,000 for loan capital at a fixed interest rate of 4.0% for a 7 year term amortized over 10 years -- quarterly interest only payments for the first 3 years, followed by principal and interest payments for 4 years with a lump sum payment at end of year 7. I dated the resolution as of Monday because that's when I expect most of the committee members to vote.

Great Falls Brand Charter

Please vote to approve authorizing me to sign the [Team Great Falls Brand Charter](#) proposed by Great Falls Tourism. It is exciting that so many entities are using the shared brand!

By email reply, please vote YES, NO or Request a Special Meeting to discuss.
