

WHAT HAPPENS AFTER SAM?

**September 16, 2026 | 11:30 AM
-VIRTUAL TRAINING-**

Please join the Montana APEX Accelerator for a strategic VIRTUAL training on how YOU can sell your company's products and services to federal and state agencies.

Register: [Click Here](#)

TOPICS INCLUDE:

- Federal and State of MT purchasing thresholds
- Conducting market research
- Federal purchasing vehicles (methods) Where to find opportunities and how to get automatic notices
- Marketing your business to government agencies
- Tips on finding subcontracting opportunities
- Q & A session

WHO SHOULD ATTEND?

Any business in any industry that is interested in developing a focused market strategy for the government segment. It is not a requirement to already be registered in SAM or eMACS to attend the training. However, we will not be going over the registration process in this training.
